Episode 52 | Claire Soares Luxury Travel Experiences: Up in the Air Life

2 min read

by Chronicles Abroad // September 12, 2018

HOSTED BY
Chronicles Abroad

Claire Soares is the founder of the luxury tour company "Up in the Air Life" based in the Washington, DC area. She has traveled to over 45 countries.

Claire uses her love for luxury, champagne, and exotic destinations to provide her clients with once in a lifetime experiences coupled with full concierge services.

In this episode you'll be inspired by the following:

1. If you're in a career or at a job you hate, create an exit strategy. Because your mental health is at stake.
2. Learn to go with the flow in life because you'll find yourself more at ease when you do so.
3. And don't be afraid to follow your heart.

Before you go...

Chronicles Abroad is having a retreat here in Chiang Mai for the Yi Peng Festival also known as The Festival of Lights. Join us as we release the lanterns into the sky and let go of misfortunes from the previous year. We do this to make room for a more prosperous upcoming year. You can find more information about it [here](#) and reserve your spot [here](#)!
