The Black travel movement has garnered more attention in recent years thanks to social media. Take a look on Instagram using the hashtag #BlackTravel, and you are sure to see Black Americans exploring exotic locales. Many of those experiences can be found chronicled on a variety of travel sites. Here are 10 Black travel sites you should check out:

Black Travel Movement

Black Travel Movement is a community of friends and family who share an interest in cultivating new friendships and epic experiences through international travel. In June, Black Travel Movement will host Sail Noir: Black Yacht Week, in July, members will explore Greece.
